## Beauty | Carolyn.K donates to Magic Breakfast

When people say fashion/beauty is superficial I tell them they are wrong. There are numerous brands out there who are using fashion and beauty to help others. I have stumbled upon so many that I cannot wait to share with you. First up is Carolyn.K London, a new beauty brand that specialises in helping others in more ways than one. With over 20 years experience in the beauty industry, Carolyn decided to launch her eponymous brand to help others achieve that professional make artist look. Products like Define Your EYES and Raise your BROWS come with a tutorial book showing you how to achieve different looks.

Aside from this, Carolyn. K London has teamed up with Magic Breakfast, a charity whose motive is to provide free and healthy school meals for children all over the country whose parent cannot afford to feed them every morning. For every Carolyn. K product sold, breakfast for one child will be donated.
