## My Honeymoon Wish List

posted on 04/06/2013 by SIU in MY BLOG with NO COMMENTS

This time next week I will be on my Honeymoon in America and I cannot bloody wait! It does feel odd not going on honeymoon straight away but on the other hand the house renovation is still not done and with my best friend's wedding 12 days after ours it really wasn't going to happen. However, it does give us something to look forward to and my husband planned it all and he really did go ALL out!!

The Honeymoon is supposed to be a holiday of a life time and our one sure will be! First stop is Vegas, second Orlando then driving down to Miami and finishing off in Jamaica for a nice relaxing beach holiday. It sounds like heaven already and I just want to be there now but of course like any holiday a lot of packing is involved and I have sort of started.

I also need to do some honeymoon shopping and I have put together my wish list...
